

Damilare Francis OYEDELE (MSc)

Full Stack Developer, Senior Consultant & Analyst

oyedeledamilaref.com | oyedeledamilaref@yahoo.com | [linkedin.com/in/damilare-francis-oyedele/](https://www.linkedin.com/in/damilare-francis-oyedele/)

Professional Summary:

Highly skilled full-stack developer, with several years of experience working along diverse teams in the efficient adoption of technology platforms on numerous international projects across diverse countries. I have strong front-end experience with Html 5, Bootstrap, JavaScript, TypeScript, React, and top back-end strength with C#, Asp.Net Core using MVC, Razor Pages, APIs, Blazor coding, Entity Framework ORM, MS SQL, MongoDB. I also have good hands-on familiarity with Microservices, Unit Testing, Version Control (*Git, Github, Ms TFS*), Azure services, Azure DevOps, Docker, Kubernetes, CI/CD operations, Agile & Scrum methodologies. I look forward to being a great asset.
